### 2020 APPLICATION FUTURE LEADERS OF BOSTON SCHOLARSHIP

#### **About the University Club of Boston Scholarship Fund:**

The University Club of Boston's Future Leaders of Boston Scholarship Fund was founded in 1977. Since its inception, the Scholarship Fund has awarded Boston residents who are graduating seniors up to \$30,000 to be used over four years of college. To date, well over 100 Future Leaders of Boston scholarships have been granted. These scholarships are made possible through the generosity of the University Club's membership.

The mission of the Scholarship Program is to provide financial assistance, through need-based scholarships, to Boston residents to help cover the gap funding in their college tuition. Recipients of the scholarships will have distinguished themselves academically, through service to their community and will also have demonstrated their potential to be a leader.

#### **Ambassador Program:**

Upon being awarded a Future Leaders of Boston Scholarship, each recipient will be assigned to an Ambassador who is a member of the Scholarship Committee. The purpose of the Ambassador Program is to provide our scholarship recipients with a point of contact at the University Club to answer any questions related to the Scholarship Program as well as to act as a general resource for students who may have questions about their education or careers. Students are expected to remain in contact with their Ambassador at least twice during each semester and, Ambassadors should be copied on all correspondence with the University Club, including the submittal of renewal applications.
